**Step 2:** Choose a testing location and appointment date and time:

To be tested at Local 103, choose “My work or school” and then an available date. If there are available times on the date you selected, they will appear in red boxes below the location.

The screenshot shows a web interface for finding an appointment. At the top, it says "OK, let's find an appointment for you". Below this is a section titled "Narrow your search results". Under "Filter by test site:", there are two radio buttons: "CVS locations" (unselected) and "My work or school" (selected). Below that, "Select an appointment date" shows a row of date buttons from Fri. 1/07 to Thu. 1/13. The "Wed. 1/12" button is highlighted with a red border. Below the date selection, it says "1 location(s) found at my work or school". A location card for "Ibaw - Local 103, 256 Freeport Street, 2nd Floor, Boston, MA 02122" is shown, with a "Directions" link. Below the location card, it says "Test type: Rapid-result test (antigen)". At the bottom, it says "Available times on Wed., Jan. 12" and shows four red buttons for times: 12:00 PM, 12:15 PM, 12:30 PM, and 12:45 PM, with left and right navigation arrows.

Testing can still be scheduled for CVS Locations, provided there is availability. Simply choose that option and enter the ZIP code where, or near where, you would like to be tested and the date you’d like to be tested. Locations in, or near, the selected ZIP code will populate along with the map.

**Step 3:** Complete visit information including answering the questions.

**Step 4:** Click “Submit”. You will receive a confirmation email with a confirmation code.

***Since this testing is happening inside at the Trust Funds Office, we ask that all Participants being tested wait in their vehicle until their testing time and then proceed directly to the Trust Funds lobby. Once your test is complete, please exit the building. You will be contacted by CVS with the results.***

If you have any questions throughout this process, please contact the Trust Funds Office at (617) 288-5999
