MICHAEL P. DONOVAN, ADMINISTRATOR

Given the significant difficulties our Participants are having in getting tested for COVID-19, the Health Plan will again be working with CVS Health to provide testing here at Local 103 on the second floor in the Trust Funds Office. Testing will be available Mondays and Fridays from 9:00am to 1:00pm and Wednesdays from Noon to 4:00pm.

Testing is **BY APPOINTMENT**. Please follow the steps below to schedule an appointment.

Step 1: Log on to www.cvs.com/employertesting.

Appointments must be made via this link for this sponsored program. Enter your Home Zip Code and Date of Birth where indicated. In the "Employee ID or Student ID" field enter the 9-digit number under your name (no letters, no suffix) from your **Blue Cross Blue Shield card**. Click "Get Started" and go to Step 2.

Home > COVID-19 testing locator

Employer- and university-sponsored COVID-19 testing

We've partnered with select employers and universities to provide testing for returning workers and students.

Your health is our priority.

You may qualify for a no-cost COVID-19 test at your work site, on campus or at a CVS location.

Lab testing

Results typically take 3-4 days.²

Rapid-result testing

Get results the same day.³
Availability is limited.

Schedule an appointment

You may qualify for a no-cost COVID-19 test sponsored by your employer or university. Provide some basic information to get started.

Personal information

Be sure your information matches what your organization has on file for you.

Home ZIP code

Date of birth

Hint: MM/DD/YYYY

Employee ID or Student ID

If you're unsure of your identification number, speak to your organization's representative.

Get started

What to do

- 1 Provide your ZIP code, date of birth and employee or student ID number.
- 2 Select a testing location and time. You may be tested at a CVS location, your workplace or campus.
- 3 Bring **proof of identity, proof of employment or enrollment**, as well as your confirmation email or text message. Be sure to have your mobile phone in case we need to reach you.

Step 2: Choose a testing location and appointment date and time:

To be tested at Local 103, choose “My work or school” and then an available date. If there are available times on the date you selected, they will appear in red boxes below the location.

OK, let's find an appointment for you

1 Ibew - Local 103,
256 Freeport Street, 2nd Floor, Boston, MA 02122

Directions ↗

● Test type: Rapid-result test (antigen)

Available times on Wed., Jan. 12

< 12:00 PM 12:15 PM 12:30 PM 12:45 PM >

Testing can still be scheduled for CVS Locations, provided there is availability. Simply choose that option and enter the ZIP code where, or near where, you would like to be tested and the date you'd like to be tested. Locations in, or near, the selected ZIP code will populate along with the map.

Step 3: Complete visit information including answering the questions.

Step 4: Click “Submit”. You will receive a confirmation email with a confirmation code.

Since this testing is happening inside at the Trust Funds Office, we ask that all Participants being tested wait in their vehicle until their testing time and then proceed directly to the Trust Funds lobby. Once your test is complete, please exit the building. You will be contacted by CVS with the results.

If you have any questions throughout this process, please contact the Trust Funds Office at (617) 288-5999
